

RECOGNITION OF FT. BRAGG, SEYMOUR JOHNSON AIR FORCE BASE, AND CAMP LEJEUNE MARINE CORPS BASE

• Mr. EDWARDS. Mr. President, I rise today to recognize the outstanding achievement of three of North Carolina's military bases.

On Friday, Secretary Rumsfeld announced the winners of the 2001 Commander in Chief's Awards for Installation Excellence. Of the five awards, three went to bases in North Carolina.

Ft. Bragg, located in Fayetteville, NC, was named the top Army post. Seymour Johnson Air Force Base, located in Goldsboro, NC, earned the honor of best Air Force post and Camp LeJeune in Jacksonville, NC, was chosen best Marine Corps base.

The Commander in Chief's Awards are highly competitive and a distinct honor for each of our outstanding North Carolina bases. The men and women who live and work at North Carolina's military installations put their country's interest ahead of their own each and everyday. These bases have also worked hard to forge strong relationships with their communities. I have visited each of these bases and the surrounding communities and I know these bases are excellent neighbors.

I congratulate the men and women of Ft. Bragg, Seymour Johnson, and Camp LeJeune on their excellent achievement. We in North Carolina are fortunate to have such a strong relationship with these bases and we are so proud these men and women call North Carolina home.●

E.B. KENNELLY SCHOOL

• Mr. LIEBERMAN. Mr. President, I rise today to recognize the achievements of the E.B. Kennelly School, a public elementary school in Hartford, CT. I recently visited the Kennelly School and was truly impressed with the progress the school has made in improving the educational standards in recent years.

The Hartford School System has faced some difficult challenges in the past decade, including declining test scores, low parental involvement, and high poverty rates among its student population. In recent years, the faculty and staff of the Kennelly School, led by principal Dr. Zoe Athanson, have brought the school up to such high standards that it has completed a voluntary accreditation process for elementary schools through the New England Association of Schools and Colleges. This has made the Kennelly School one of two Hartford schools to become the first fully accredited elementary schools in a large city in the State of Connecticut. Through hard work, dedication, and an unwavering commitment to the students, the Kennelly School has demonstrated that city schools are able to achieve the

same academic standards as their suburban counterparts, often against greater odds. The achievements of the Kennelly School serve as a model for troubled school systems throughout the country. With a commitment to excellence, anything is possible.

The people of Connecticut applaud the E.B. Kennelly School for its accomplishments. As the Kennelly School approaches its 100th Anniversary, we wish them much continued success in the future.●
